## The Massachusetts Department of Public Health Immunization Program is pleased to announce the 2016 Immunization Updates

### Conference topics will include:

- Current trends in the epidemiology of vaccine preventable diseases
- VFC compliance/vaccine storage and handling
- Updates to the 2016 childhood and adult immunization schedules
- MIIS updates including key functionality, statewide roll out and steps for coming on board
- Addressing vaccine confidence
- School immunization and exemption rates
- and more....

All Immunization Update programs are scheduled from 8:30 a.m. - 12:00 p.m. with the exception of the webinars that will start at noon. Registration starts at 8:00 a.m. for the In-Person Sessions.
